

# SHE ZEN

**REAL PEACH**

Sake with Real Fruit

---

## **SHEZEN** **REAL PEACH**

Sake with Real Fruit

---

The taste of Japanese white peaches is preserved in this creamy sake, full of juice and rich flavor. Mashed peaches create a nectar-like experience. Served chilled, it is pure bliss. As a mixer, it will brighten up craft cocktails. With desserts, drizzle over vanilla, berry or citrus ice cream. Imagine the possibilities!

**ABV 7%**
