BREWERY

Founded in 1548, Yoshinogawa is the eighth oldest existing saké brewery in Japan and the very first saké brewery to be established in the now famed Niigata Prefecture (Northwest of Tokyo, along the sea of Japan). The knowledge of multiple centuries goes into crafting

each bottle of Yoshinogawa saké. Every sip is a representation of a lush agricultural region, deep winter snows, abundant pristine water and the pure love of the craft. Yoshinogawa takes pride in using its local resources to craft the best expression of their region's natural beauty and bounty.

FUTSU DEFINED

Saké without restrictions on rice grade nor polish level and may also contain a higher level of distilled alcohol. Premium futsu brewers use this freedom to craft incredibly expressive saké.

TASTING NOTES

Dry, clean and crisp with layers of subtle fruit flavors and hints of earth and water portraying its Niigata home. Can be served either chilled or warm.
